COMIREX

Committee on Imagery Requirements and Exploitation

8 March 1983

NOTE FOR: D/ICS

FROM Chairman, COMIREX

SUBJECT: U-2 Overflight [redacted]
(Change #1 to the March JRC Schedule)

25X1

1. Your concurrence or objection is requested for a proposed overflight [redacted] Attached are two documents explaining the request.

25X1

2. From the COMIREX view, you should concur in the mission but object to declassification. The DCI would be hard pressed in court to define an FOIA action for other overhead imagery if he approves of some releases primarily to effect US opinions.

3. If you will indicate your view, [redacted] will phone it to the CIA coordinator.
